Volunteer Perks

What do I get for volunteering?

1. A free pass to the event! Which pass you get depends on how much time you sign up to volunteer and is dependent upon you showing up for your shift.

Single day Friday only pass = 2 hours of volunteering on Friday

Single day Saturday or Sunday pass = 4 hours of volunteering either day, pass good for the day you volunteer

Entire weekend pass = 8 hours of volunteering total

2. A free T-shirt! Don't forget to tell us your size when you sign up to volunteer!

3. A chance to meet some great fellow humans and be a part of a stellar event!

4. Our eternal appreciation!

Review Process

Approximately 60 volunteer positions exist. Some are before the festival but most are during the festival.

Volunteer applications will not be made public. Please answer all questions on the application as they have been deemed relevant to the selection process and we seek to hold an event that is safe, open, and inclusive.

Decisions of the review team are final. If you are not chosen initially, you will be put a waiting list. If anyone drops out or fails to respond within two weeks of first contact, the next person on the list will be contacted.

Volunteer/Staff room

We appreciate you! Your volunteer efforts are invaluable to us, so have fun and enjoy the Colorado Festival of Horror!

We will have a volunteer/staff room on site with some food and drinks available.

- If you have a special diet, please bring your own food and drinks.
- There will be a table and chairs to sit and relax and chat with co-volunteers when you are off-shift.
- You will be able to leave personal items in there, but at your own risk, COFOH cannot be responsible for any lost or stolen items.

It is your responsibility to check in with volunteer supervisor Amber MacPherson upon your arrival and upon leaving your shift for the day. The volunteer coordinator will contact you with your schedule assignment(s).

- Only commit to what you are sure you can do. It leaves us short staffed if you cancel last minute.
- Communication is key! If something does come up, please let us know!

Please familiarize yourself with the COFOH program and event rooms before your shift so you can help attendees with queries and directions. You represent COFOH so please be kind and respectful to everyone!
